Accommodation at the Youth Hostel

For the weekend of the Festival, VLAC has reserved a number of beds at the Scarborough Youth Hostel, which offers self-catering dormitory accommodation for people of all ages. The cost will be £7 per person per night for anyone who is under 18 years of age, and £10.25 for those who are 18 or over.

Car parking tickets for the disabled at the Spa

A limited number of tickets are available for those with walking disabilities and particularly those with orange badges. Contact Bob Watkins, email: watkins@rmewatkins.freeserve.co.uk.

A Call for Volunteers

VLAC is recruiting volunteers to serve at the National Festival in Scarborough, November 1-2. We need a team of enthusiastic, well-trained ushers to provide assistance to the participants throughout the weekend. This is an excellent service opportunity assisting our National Spiritual Assembly to host this major event.

For further information regarding any of these items, contact VLAC representatives, Parvin and Malcolm Lee, email: malcom.lee@ntlworld.com

Special Requirements

Meeting the needs of disabled people is an important part of the Venues Committee's work. People who have any special requirements are asked to advise the Secretary at the address above. We will do our best to accommodate them where possible. A loop system is installed in the Grand Hall for the convenience of those who use a hearing aid with a "T" position switch.
