YOUTH EVENTS

Where can I go to learn and relax and grow and have fun ...
and be encouraged to do so?

Where can I take my friends and have them feel involved, engaged and accepted?

Where can I talk about the issues that bother me?

Is there a YOUTH EVENT that addresses the genuine concerns troubling today's youth?

Where can I actually talk about REAL things that matter to me?

Is there a youth event that can teach me something USEFUL? WHERE can I go and be treated with respect and be trusted?

Is there a youth event characterised by a spirit of sheer goodwill?

We have the answers to these questions ...
