he has prepared a place

Wonder not at the season For I can tell you of the reason

All things are come to light Whether day or night

In this age of brightness

Alas for the world's forgotten The Source of joy returns and often

Bringing with Him a Plan Resurrecting man

His Kingdom is at hand

Bahá'u'lláh, the Promised One

Has come to bring together all mankind

That we behold the unity

That we have longed for since the dawn of time

For when mankind will receive Him, When in their hearts they will believe Him

Then true joy will appear Growing year by year

Banishing the tears

In that day there'll be rejoicing All peoples far and near be voicing

Praises of God above Like the cooing dove

Thankful for His love

Bahá'u'lláh, the Promised One

Has come to bring together all mankind

So let us share His message now

With each and every soul that we do find

He's gathering in the harvest one by one

And He wants everyone

The ocean of God is surging Casting forth its waves and urging

All peoples to arise Open up their eyes

Seize the Ancient Prize

Let sadness and woe be severed For they are lost and gone for ever

For He has prepared a place Full of hope and grace

For all the human race

Bahá'u'lláh, the Promised One

Has come to bring together all mankind

That we may live in unity

With all God's children till the end of time

Krishna, buddha, zoroaster

Krishna, Buddha, Zoroaster

Abraham, Moses, Christ

Muhammad, The Báb, Bahá'u'lláh

The Spirit's the same

Bahá'u'lláh teaches for today
Tells us to look to the spirit
Not to worship the Name
Now we have automobiles, we have electric lights
We can fly around, we can see a lot of sights
World movements for human rights
We can even take a trip to the moon
Now some people say that these are terrible times
But it's a brand new day friends, these are the signs
This life's too great to just resign
You'd better investigate soon
What are these truths that we all should seek
Well, how 'bout a language that we all can speak
Male and female equality – all kinds of prejudice are wrong
Now religion and science both agree, about the Oneness of humanity
God's Faith should cause harmony just like this song
Chastity, integrity
Humanity and unity
Our actions should cause unity and shine like a star
All the people around can plainly see
We handle ourselves a little differently
They'll know who we are.

Over The Rainbow

C Am7 Em F C

Somewhere over the rainbow, way up high,

F Fm C Gdim Dm7 G7 C

There's a land that I heard of once in a lullaby.

C Am7 Em F C

Somewhere over the rainbow skies are blue,

F Fm C Gdim Dm7 G7 C

And the dreams that you dare to dream really do come true.

C

Someday I'll wish upon a star

Dm7 G7 Am7 F G

And wake up where the clouds are far behind me.

C

Where troubles melt like lemon drops,

D7b9 G G7

Away above the chimney tops, that's where you'll find me.

C Am7 Em F C Gdim

Somewhere over the rainbow Bluebirds fly.

F Fm C Gdim Dm7 G7 C

Birds fly over the rainbow, why then, oh why can't I?

C F Dm7 G7 C

If happy little bluebirds fly above the rainbow, why, oh why can't I?

Stand By Me

A

When the night has come

F#m

And the land is dark

D E A

And the moon is the only light we'll see

A

No I won't be afraid

F#m

Oh, I won't be afraid

D E A

Just as long as you stand, stand by me

Chorus

A

So darlin', darlin', stand by me

F#m

Oh now, stand by me

D E A

Oh, stand, stand by me

A

If the sky that we look upon

F#m

Should tumble and fall

D E A

Or the mountains should crumble to the sea

A

I won't cry, I won't cry

F#m

No I won't shed a tear

D E A

Just as long as you stand, stand by me

Chorus
