I. GENERAL SONGS

A Seeker’s Song by Kathy Liebman

\( G \quad C \quad D \quad G \)

Things can be hard to understand. Sometimes I get confused.

\( G \quad C \quad D \quad G \)

But making sense is not a thing this world is accustomed to.

\( G \quad C \quad D \quad G \)

But there are some things that I see when I stop to look around.

\( G \quad C \quad D \quad G \)

And with this song I will share with you a few of the things I have found.

*Chorus:*

\( G \quad C \quad D \quad G \)

When you sing, the deaf will not hear. The blind one will not see the mime.

\( G \quad C \quad D \quad G \)

You cannot give the gift of truth to the person with the closed mind.

The Lord, He give us all so much: the soul, the mind, the eyes,
But because He give us the black and the white, some people, they criticize.
Now segregation, it is a word, whose meaning I do not see.
I always thought if we do not integrate, disintegration is all that there could be.

*(Chorus)*

Now people all around the world, they worship and they pray.
But some people, they think that you go to the hell if you do not do it their way.
Some say Allah, some say Dios, some say Jehovah is God’s name.
But I think the Lord, He do not mind at all, because the hearts, they all speak the same.

*(Chorus)*

The heads of states, they negotiate. Perhaps the politics should cease.
I think that we could stop the war if we just arm the people with peace.
If we give peace the honest try and we are still dissatisfied,
We can always make the war again and live happily terrified.

*(Chorus)*

So pantomime for the deaf. And sing a song for the blind.
Patience and prayer is all you can give to the person with the closed mind!!!

  Allah’u’abha, Allah’u’abha, all the world around.  
  
  In Russia “dosvidanya”, in England it’s “Ta-ta”  
  Japan says “Sayonara” but they all know Allah’u’abha.  
  
  *(Chorus)*  
  
  So if you are in Thailand, and headed for Peru  
  It’s nice to know that wherever you go, these words of love are true.

**Amazing Grace**
Words by John Newton

\[D\ D\ G\ D\]
Amazing Grace! How sweet the sound

\[D\ D\ A\ D\]
That saved a wretch like me

\[D\ D_7\ G\ D\]
I once was lost & now am found

\[D\ A\ G\ Pr\ D\]
Was blind but now I see

‘Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

Thru many dangers, toils and snares
I have already come
‘Tis grace that brought me safe thus far
And grace will lead me home

When we’ve been here 10,000 years
Bright shining as the sun
We’ve no less days to sing God’s praise
Than when we first begun

Everything we need to live.

Building Bridges
by Jackie Elliot

Chorus:
D
We’re building bridges out of the walls
G
Building bridges out of the walls
G A
Building bridges out of the walls
D
That keep us apart

D A
When the wall says stay away, we’re from a different land
A D
We’re going to tell them, the earth’s one country and we’re world citizens.
D G
And turn that wall into a bridge. Take my brother by the hand.
G D A D
And walk across that bridge to the world God promised man.

(Chorus)

When the wall says stay away, we’re from a different race
We’re going to tell them there’s just one race and that’s the human race.
And turn that wall into a bridge. Take my sister by the hand.
And walk across that bridge to the world God promised man.

(Chorus)

When the wall says stay away, our religions aren’t the same
We’re going to tell them we just worship God by different names
And turn that wall into a bridge. Take my family by the hand
And walk across that bridge to the world God promised man.
Caminando Juntos

C    F    C    E
Como una flauta, suavemente, tocando en la brisa,

C    F    C    E
De muy lejos, pero tan cerca, su música viene a mi…

F    C    E
Y me dice que somos hermanos, caminando juntos

C
En la primavera

F    C    E
Y las rosas que vemos son rostros de hombres

C
Reflejando el sol.

Y ahora yo, yo también siento el sol,
siento el sol y la música, mando a ti…
Y te digo que somos hermanos, caminando juntos
En la primavera
Y las rosas que vemos son rostros de hombres,
Reflejando el sol.

(Spoken)   La flauta es un instrumento puro
La brisa nos trae su melodía
Es un canto universal
Que nos dice que somos flores
Del mismo jardín, somos olas
Del mismo mar, somos hojas
De la misma rama, y somos
Hermanos.

Y me dice que somos hermanos, caminando juntos
En la primavera
Y las rosas que vemos son rostros de hombres
Reflejando el sol
Cry Out!
By Cat Winterfox

(Opening lyrics in key of G without a guitar)
Cry out, cry out the name of Baha’u’llah

I said Cry out, cry out the name of the Glory of God
Get up on your feet, raise the standard high

Make the victories sweet, and then cry,

Chorus:
Cry out, cry out, the Name of Baha’u’llah!
Cry out, cry out, the Name of the Glory of God!
Get out on the street, look them in the eye.
Be the one to beat, when you cry,

(Chorus)
Help them to spread amongst all the nations of the earth
The Light of Guidance, that cometh from the Company on High

(guitar)
So tell it to your friends, shout it to the sky
Until the old world ends, we must cry. Oh yes cry ---

(Chorus)
(Chorus)

Bb               F             Gm7                           C7sus                 C
And I know how it feels       to cry myself          to sleep.
F
I’m that kid on every playground who’s always chosen last.
Dm7
A single teenage mother try’n to overcome my past.
Bb               F                     Gm7
You don’t have to be      my friend.      Is it too much to     ask:
C7sus        C

Chorus:
C                                F                                      Dm7
Don’t laugh at me. Don’t call me names.
Dm7                                   Bb                             C
Don’t get your pleasure from my pain.
C                        F                                 Dm7
In God’s eyes we’re all the same.
Dm7                         Bb                                    C
Someday we’ll all    have perfect wings.
C
Don’t laugh at me.

I’m the cripple on the corner, you pass me on the street.
I wouldn’t be out here beggin’ if I had enough to eat.
And don’t think I don’t notice that our eyes never meet.
I lost my wife and little boy when someone crossed that yellow line.
The day we laid ‘em in the ground is the day I lost my mind.
Right now I’m down to holdin’ this little cardboard sign. So…

(Chorus)
Fellowship, Fellowship

C    F    G    C
Long time ago in Mazindiran, so the Dawnbreakers say
C    F
A Manifestation of God was born
G    C
Bringing the Promised Day … and He sang

Chorus:

Fellowship, fellowship, love, love, unity
All the people are one
Man is a member of just one family
The Age of Peace has begun.

Mulla Husayn came down to Shiraz and found the Point of Bayan
Say, Mulla Husayn go tell all the people
The Prophet He speaks again … and He sang

(Chorus)

Now the Shah thought he could put out the Light, by putting our Lord from
Iran
Say, Shah what a foolish man you are
The Teachings have only begun… and they say

(Chorus)

Now Abdu’l-Baha says always be happy, laughing and singing and so
I want you should all join in the refrain,
By now you should know how it goes… and we say

(Chorus)
(Chorus)

The Age of Peace has begun
The Age of Peace has begun

*(Live at Green Lake, CD, by Eric Dozier & Friends, One Human family Workshop Choir)*

Holy Spirit rain down on me (echo)
I want to feel your presence surround me (echo)
Shower upon me thy confirmations (echo)
Through the spirit of Faith bring regeneration (echo)

(repeat twice more)

When I’m down your spirit picks me up
When I’m low you fill my empty cup
You bring new life
And you taught my soul to sing because you can

Turn a gnat into an eagle
A drop of water into rivers and seas
An atom into lights and sun
Holy Spirit keep renewing me

Holy Spirit rain down on me
I want to feel your presence surround me
Shower upon me thy confirmations
Through the spirit of Faith bring regeneration

(repeat twice more)

My back was burdened and broken by my sin,
You came along and you gave me peace within
restored my joy and you made my life complete because you

Turned a gnat into an eagle
A drop of water into rivers and seas
An atom into light and sunshine
Holy Spirit keep renewing me

Holy Spirit rain down on me
I want to feel your presence surround me
Shower upon me thy confirmations
Through the spirit of Faith bring regeneration

I think you’re wonderful too.

C  G
When we practice this phrase in the most honest way
G  C
Find something special in someone each day
C  F
Lift up the world one heart at a time
G  G7
It all starts by saying this one simple line…

(Chorus)

When each one of us feels important inside
Loving and giving and glad we’re alive
Oh, what a difference we’ll make in each day
All because someone decided to say…

(Chorus)
I Want to be Happy (Ruhi 3)

Am
There is something you must know.
    E7
In this Faith we have to show,
Dm
We are men of deeds, not of words.
    Am               E7          Am
Our very life should show our Faith to friend and foe.

Chorus:
    Am
I want to be happy,

    I want to be strong,

To be His servant

    My whole life long.
    Dm               Am
So, I must obey the laws of God.
    E7               Am
Yes, I must obey the laws of God.

There is something you must know,
In this world of pomp and show,
People are tired of empty speech.
They want to see you practice what you teach.

(Chorus)
If I had a hammer
By Lee Hays and Pete Seeger

G           C           G           C
If I had a hammer, I’d hammer in the morning
C           G           C           D7
I’d hammer in the evening all over this land.
D7           G           Em
I’d hammer out danger. I’d hammer out warning.
C           G           C           G
I’d hammer out love between my brothers and my sisters
C           G           D7           G           C           G
all over this land.

If I had a bell, I’d ring it in the morning
I’d ring it in the evening, all over this land.
I ring out danger. I’d ring out warning.
I’d ring out love between my brothers and my sisters
all over this land.

If I had a song, I’d sing it in the morning.
I’d sing it in the evening, all over this land.
I’d sing out danger. I’d sing out warning.
I’d sing out love between my brothers and my sisters
all over this land.

Now I’ve got a hammer, and I’ve got a bell,
And I’ve got a song to sing all over this land.
It’s the hammer of Justice. It’s the bell of Freedom.
It’s a Song of love between my brothers and my sisters
All over this land.

One Family by Red Grammer

Light on the horizon, off starboard bow
Feel the spirit rising, feel the mighty shout
Oh, watch the whole creation turning inside out
He’s making His will made known, the time for peace is now.

Leaders at the table, talkin’ about an end to war
We need more than chess moves, we gotta open, open up the door
Oh, and let a little sunlight shine on each and every face
And in the light of morning, let them bless the human race, singin’

Chorus:
We are one family,
we are too close not to let it be
We are sisters and brothers,
a coat of many colors, you and me.

Feel the expectation, all the world around
Everyone is waitin’, to hear the, hear the joyful sound
Oh, of all the nations singin’, singin’ out in harmony
There’s a new world in the makin’, won’t you sing along, sing along with me?

(Chorus)

Shout it from the mountain top, sail it on a breeze
The only way we’re gonna have peace is when we come to see

About a kingdom on a mountain and the valley folk below.
C        G        Am       C
On the mountain was a treasure buried deep beneath a stone
F        C        F        G7        C

Chorus:

Come the judgement day,
C                  F
On the bloody morning after
F        C
One tin soldier rides away.

So the people of the valley sent a message up the hill
Asking for the buried treasure, tons of gold for which they’d kill.
Came an answer from the kingdom, “with our brothers we will share
All the secrets of our mountain, all the riches buried there.

(Chorus)

So the valley cried with anger, mount your horses, draw your swords
And they killed the mountain people, so they won their just reward.
Now they stand beside the treasure on the mountain dark and red
Turned the stone and looked beneath it: “Peace on earth” was all it said.

Come help us all proclaim the Greatest Name!

For you shall all inherit the earth, the way the story goes,
And I will be a traveler who gently fans the flame,
And I’ll help you all proclaim the Greatest Name!

Servants

Chorus:

We are servants of the Glory, we are servants of the Lord,
D
We are servants of mankind, and we are servants of the world.
E
We will build a strong foundation, unite the hearts of men

E
There is only one solution for the problems facing men

Let’s turn to the words of God and be servants to the end

We see hatred every day, in our schools and on our streets
Even hatred in our music, and hatred on TV
Lets start breaking through the barriers, extend a peaceful hand
Together we will march, ‘cause we are servants to the end

So put down the pen of malice, pick up the sword of peace
Put down the guns of war, let the pain and dying cease
Be the doctors of revival, and help the souls to mend
Be brave and righteous soldiers, be servants to the end

Let love and unity reign.

So let us shout it from the mountains
And fill the world with a new song
The wind is singing in the mountains
Baha’u’llah has come.

The wind is singing in the mountains
Baha’u’llah has come.

And maybe lose a friend or two

**We are Building the Kingdom of God**  
(Eric Dozier)

We are building the kingdom of God,  
laying foundations for a spiritual world,  
holding fast to the Covenant of the Almighty One.  
We are striving day by day,  
gonna let nothing stand in our way,  
we are building the Kingdom and nothing can stop us now.

We are joining hand in hand,  
all across this mighty land,  
united in spirit and bringing a balm to a sin sick world.  
We may have to struggle and we may have to cry,  
but we are assisted by the Concourse on High,  
we are building the kingdom and nothing can stop us now.

**My calamity is My providence**  
Music by Rob Allan

My calamity is My providence,  
outwardly it is fire and vengeance,  
but inwardly it is light and mercy.  
Hasten thereunto that thou mayest become  
an eternal light and an immortal spirit.  
This is My command unto thee,  
do thou observe it
**O Essence of Negligence**

Music by Rob Allan

O Essence of Negligence! O Essence of Negligence!

Myriads of mystic tongues find utterance in one speech,

and myriads of hidden mysteries are revealed in a single melody;

yet, alas, there is no ear to hear, nor heart to understand.

**O God! Educate these children.**

O God! Educate these children.

These children are the plants of Thine orchard,

The flowers of Thy meadow, the roses of Thy garden.

Let Thy rain fall upon them;

Let the Sun of Reality shine upon them with Thy love.

Let Thy breeze refresh them in order that they may be trained,

Grow and develop, and appear in the utmost beauty.

Thou art the Giver. Thou are the Compassionate!

O God! Refresh and Gladden My Spirit by Abdu’l-Baha

O God! Refresh and gladden my spirit.
Purify my heart. Illumine my powers. I lay all my affairs in Thy hand.
Thou art my Guide and my Refuge.
I will no longer be sorrowful and grieved;
I will be a happy and joyful being.
O God! I will no longer be full of anxiety,
Nor will I let trouble harass me.
I will not dwell on the unpleasant things of life.

O God! Thou art more friend to me than I am to myself.
I dedicate myself to Thee, O Lord.

O My Servant! Free thyself…
Adapted from *Hidden words of Baha’u’llah*, part II. #40, #39, #41, p. 36.
Elaine Merrill Losey, Baha’i National Center, Seoul, Korea.

Free thyself from the fetters of this world.
Loose thy soul from the prison of self.
Seize thy chance. Seize thy chance.
O……… My Servant!
Didst thou behold a sovereignty immortal,
Thou wouldst strive to pass from this world.
Fleeting world. Fleeting world.
O………My Servant!
Ah………..
Be not content with the ease of a passing day,
Be not deprived of everlasting rest.
Trade not the garden of eternal delight
For the dustheap of a mortal world.
Up from thy prison ascend unto glory.
Up from thy prison ascend unto glory.
And from thy mortal cage wing thy flight.
O………My Servant.

Unity Prayer
Words by the Bahá’u’lláh, Baha’i Prayers, p. 204.

O my God! O my God! Unite the hearts of Thy servants, and reveal to them Thy great purpose.
May they follow Thy commandments and abide in Thy law.
Help them, O God, in their endeavor, and grant them strength to serve Thee.
O God! Leave them not to themselves, but guide their steps by the light of Thy knowledge, and cheer their hearts by Thy love.
Verily, Thou art their Helper and their Lord.
