YOUTH EVENTS

A residential youth event for increasing harmony, unity and love within your family ...

THE FAMILY SURVIVAL GUIDE

The family is the most important part of society and also the most challenging, requiring lots of hard work, patience and tolerance! This youth event provides young people with the opportunity to discuss and explore family life, its ups and downs, and how you can have a positive influence on its well-being. What's in it for me?

The sessions will explore areas that we often face:

- What are my rights and responsibilities in my family?
- How can I be an individual in my family?
- How can I express myself without getting angry?
- How can I talk to my family and feel that I'm listened to?
- How can I live with AND love my family at the same time?
- How can I resolve parental expectations if they are different from my own aspirations?
- Are there strategies I can develop for harmonious relationships?
- Can I have a role in bringing more peace, love and happiness into my family?
- The Next Step ...

This youth event will be held at the Wilderness Centre, Mitcheldean, Gloucestershire, from 28-30 June 2002. For more information or to make a booking, please contact Darren Howell, email infuse@blueyonder.co.uk
