

## Board of Huqúqu'lláh for the Republic of Ireland and the United Kingdom

THE BOARD OF HUQÚQ would like to offer to all local Assemblies a copy of the video "Huqúqu'lláh, the Right of God" as a gift, to be used by the community for educational purposes. (This will be in English, although there is also a Persian version if your community has a significant number of Persian speakers.) The Board would eventually appreciate feedback from your local Assembly on the use it has made of the video. Any queries and comments from the friends can be forwarded to the Board.

If you would like a copy please let the secretary of the Board of Huqúqu'lláh know by email, letter or phone call. We regret that because of the cost we are only able to offer free copies of the video to local Assemblies. Groups and isolated believers should contact their nearest local Assembly if they wish to borrow the video. The video is still available at  $\pm 15.00$  each to buy, all proceeds going to the National Fund.

With warmest love,

Board of Huqúqu'lláh for the Republic of Ireland and the United Kingdom
