“The divine Manifestations since the day of Adam have striven to unite humanity so that all may be accounted as one soul. The function and purpose of a shepherd is to gather and not disperse his flock. The Prophets of God have been divine shepherds of humanity. They have established a bond of love and unity among mankind, made scattered peoples one nation, and wandering tribes a mighty kingdom. They have laid the foundation of the oneness of God and summoned all to Universal Peace. All these holy, divine Manifestations are one. They have served one God, promulgated the same truth, founded the same institutions and reflected the same light. Their appearances have been successive and correlated; each one has announced and extolled the one who was to follow and laid the foundation of reality. They summoned and invited the people to love and made the human world a mirror of the Word of God. Therefore, the divine religions they established have one foundation; their teachings, proofs and evidences are one; in name and form they differ but in reality they agree and are the same.”
