

**FREDERICK DOUGLASS CENTER.**

The display of rugs from the Mills City Cotton Mills is still in progress. These rugs are the work of race industry and make an interesting and creditable exhibit. Mr. Joseph Wylie, manager of the corporation, is glad to meet those interested and to explain the processes of the industry.

The notice of last week announcing a musical program in charge of Prof. Edward F. Morris of Quinn Chapel was a mistake. The date was for the 31st. The program will be given tomorrow at 4 p. m. with the aid of the church quartette. Two piano duets by the young artists, the Misses Parkston, will be rendered, with solos by Miss Mabelle Parkston, including a sonata of Mozart's.

Mrs. Ethel Carley Cutler will give a few vocal selections, including the recent composition by Mrs. Cook, entitled "Prayer," a work which has received high praise from competent critics.

The Women's Club will meet Tuesday afternoon.

Miss Chapman will return from her vacation of three weeks on Wednesday, June 3.
