**BURNS SELF AS SACRIFICE.**  
Chicago Girl Whose Mind is Affected Over New Gull.

**What Plans for George W. White.**  
An Representative of the House of Representatives, Mr. George W. White, of New York, is expected to be elected to the Presidency in 1908.

**The Mind, the leading exponent of New Thought, for February contains a large number of choice contributions, as follows:**

**BURNED SELF AS SACRIFICE.**  
Frances Wakley, twenty-three years old, crazed by study of the teachings of Baha-Ullah, offered herself a living sacrifice. She saturated her clothing and burned herself to death in her home on Lowe avenue.

**Another Victim of Freak Religion.**  
Chicago, Feb. 10.—"Freak" religion has claimed another victim. Believing that the millennium was near and that she had received a divine call to offer herself as a sacrifice, Miss Frances Wakley, 6205 Lowe avenue, poured oil over her clothing, placed herself on a bed as if lying on a cross, and set herself on fire.

**AM. Battered with his moral if he hoped to beat him.**  
Believing that the millennium was near at hand, poor demented Frances Wakley of 6205 Lowe avenue attempted to burn herself to death, and her recovery is doubted at the Union Hospital, where she was taken.
