BAHA'I FAITH Today, thousands of racially untried Baha'is demonstrate the great power of the Baha'i Faith. The laws of the Faith, its scriptures, prayers, and meditations all point toward the principle of the Oneness of Mankind. Baha'is believe the basic teaching of Baha'ism is the Baha'i World Community to the progressive production of all forms of civilization. Through widespread knowledge of the facts provided by science and the investigation of the new religion, race unity can be achieved. For Information Call 224-7706
