

Program for the Feast of Names (Asmá')

By Susan Gammage ¹

What are the names of God?

I've put together a list of 405 names of God culled from the Long Healing Prayer <http://reference.bahai.org/en/t/c/BP/bp-80.html> and from a list given by Amatu'l-Bahá Rúhíyyih Khánúm in her book "The Desire of the World", pp. 167-186. https://bahai-library.com/khanum_bahallah_desire_world

They are presented in alphabetical order.

As you read through this list together I recommend you highlight those that resonate with you and then consult about them during the consultation or social part of the Feast, so you can learn from each other.

But first, let's start with a piece of music!
